**Living the Gospel by supporting
mental health wellness**

Last year, over 3,200 people accessed individual, couple and family counselling at Catholic Family Services of Peel-Dufferin, a ShareLife-funded agency. Given that depression has replaced back injury as the number one reason for absenteeism at work, these services are helping clients maintain employment and stay out of poverty. By supporting ShareLife agencies like CFS Peel-Dufferin, you're helping people find health and happiness.

**Today is ShareLife Sunday.
Thank you for your generosity.**

Ascension of the Lord
World Communication Day

Imagine learning about Scripture from Our Lord. Imagine sitting at Jesus' feet while he discusses the prophets. Such an exercise in imagination can change our lives. We will want to witness to this experience, to state with confidence that our lives have been changed. Witnessing to a personal transformation can be a powerful means of communication.

"You are witnesses of these things." Jesus tells his disciples in today's Gospel account of his Ascension. The power of witness can be transformative, especially if we touch someone's life when they need encouragement in facing a challenge. Our witness could strengthen their faith; it may give them the courage to witness to their own experience of the Lord. When the actions of others support and validate our own experience, it becomes easier to believe. An upward spiral in faith occurs; each person's witnessing builds upon and strengthens the faith of others. When many see the same thing, it can help us overcome the tendency to doubt.

Today reflect on the power of both being a witness and experiencing the witness of others. With praise and thanksgiving, be grateful for the witness provided by those around you. Imagine the power of communicating the Risen Lord to others in your life.
